RE: Olin Corp./McIntosh Plan Superfund Site
McIntosh, Alabama - Preliminary Site Characterization
Summary Report

Dear Mr. Lee:

I am forwarding a copy of the Preliminary Site Characterization Summary (PSCS) Report for the Olin/McIntosh Site to Pete Douglas with the Fish and Wildlife Service.

This document should be reviewed in conjunction with the Phase II Sampling and Analysis Plan (SAP) previously submitted. I am requesting specific comments on this document on or before May 11, 1992. Any deficiencies and/or data gaps noted in the PSCS can then be incorporated into the Revised SAP.

If you foresee a problem with meeting the requested deadline, please contact me at (404)347-2643 as soon as possible. Thanks for your cooperation in this matter.

Sincerely,

for Arthur L. Collins
Cheryl W. Smith

Remedial Project Manager
South Superfund Remedial Branch
